## FUN FACTS

Guatemala has the largest collection of UNESCO heritage sites, namely Antigua Guatemala, Archeological Park and Ruins of Quirigua and Tikal National Park.

The first chocolate bar was invented during Mayan Times in Guatemala. Blue Denim was first created in Guatemala.

Guatemala means "land of trees in the Mayan tongue. The official name of the country is Republic of Guatemala. It is also known as "land of the eternal spring" as it has a warm tropical climate more temperate in the highlands and drier in the easternmost areas.
